What's your IT? _____   Think about ways you could …

Combine IT
with something else

Adapt IT
to be more useful

Substitute IT
for something else, (or something else for IT.)

Magnify IT
to make it bigger

Shrink IT
to make it smaller?

Rearrange IT
to look at it from a different angle?

Highlight the ideas that you think could be effective and relatively easy to implement.

The one to try first is: _____   By When? _____
